Funds raised at this event will support people in the North East affected by cancer,  
and their families, carers and friends.

*Please consider donating a raffle, or auction prize to support this event!*

"Help, support and social opportunities for people going through the cancer journey, and their families and friends."

"Building partnerships with health professionals, statutory bodies, support groups and services, charities and voluntary organisations."

"Education & awareness programmes and events delivered as a road show into schools, colleges, and places of work."

**I would like to donate a prize to help FACT raise funds.**
